**BFG**  **Federal**  
CREDIT UNION  
for *Everyone!*

\*APR=Annual Percentage Rate. Rate includes 1/4% discount for auto pay option.

\*\*Example is for illustration and may not reflect current rebate offers, loan terms or interest rates. Calculation is based on 60 month term vehicle loan, monthly payments and \$20,000 purchase price. Dealer-financed loan at 0% APR and no manufacturer's rebate. BFG Federal Credit Union loan at 1.99% APR\* and a manufacturer's rebate of \$4,000.

National Credit Union Administration, a U.S. Government Agency. Your savings federally insured to at least \$250,000 and backed by the full faith and credit of the United States Government.

NCUA

**\$333.34 - \$280.40 = \$52.94 saved per month x 60 months = \$3,176.40 saved with BFG!\*\***
